INDEX TO VOLUME XVIII.

ORIGINAL ARTICLES.

PAGE.

Adrenaline chloride, therapeutic value 321
Adrenaline, notes on 79
Amaurosis, quinine 47
Asthenopia, on the frequency in America 225

Blennorrhœa neonatorum 97
Blennorrhœa neonatorum, a few words in addition 283
Blennorrhœa neonatorum, another word to the discussion of ... 281
Blennorrhœa neonatorum, unusual complication 104
Blindness, sudden 69

Cases from clinic 42
Cicatrical cyst, an enormous 353
Cornea, hyaline degeneration 300
Cortical blindness 292

Dakryostenosis with abscess 231
Depression of cataract 329

Glass, queer behavior of a piece in the eye 129
Glioma of retina 326

Helmholtz and ophthalmoscopy 193
Hemianopsia, right 44
Histology of an apparently inoffensive eye .....
Hysterical disorders 257

Lacrymal obstruction and its treatment 200
Lacrymal sounds, a new set 289

Methylen blue, the value of its local application 173
Myo-fibro-sarcoma of the orbit 65

Nerve resection as applied to the supraorbital and naso-lacrymal branches of the fifth 238
New instruments 278

Ophthalmology in the curriculum of the modern medical school 33
Ophthalmology, the teaching of in medical schools 71
Optic neuritis from intranasal disease 138

Silver in ophthalmic work, value of 359
Sympathetic ophthalmitis, the estimation of the danger of 133

TRANSLATIONS.

PAGE.
Experimental studies on reclination of cataracts, by E. Wassilieff and N. Andogsky 109
On iridectomy in glaucoma, by Ch. Abadie..... 15
Optico-ciliary resection in absolute glaucoma, by Fage..... 50
Sclerotomy and iridectomy combined, by L. De Wecker..... 9
Ulcus rodens corneæ, with an account of a special bacillus, by E. Andrade..... 105

CORRESPONDENCE.

Dr. Gould's new enterprise..... 19
Pan-American Congress in Havana, Dr. H. B. Young 81
Therapeutic value of adrenaline, Dr. E. C. Ellett..... 117

SOCIETIES.

American Ophthalmological Society 220
British Medical Association 311, 369
Medical Society of the State of New York, award of prize to Dr. L. Howe 83
Ophthalmic Section of College of Physicians and Surgeons, Philadelphia..... 63
Ophthalmic Society of the United Kingdom.....
22, 87, 146, 178, 216, 247, 365
Western Ophthalmic and Oto-Laryngologic Association.....
84, 150. 161, 206, 236, 273, 299, 325
Wills Eye Hospital Society, Philadelphia..... 118

ABSTRACTS.

By Dr. W. A. Shoemaker.

Accommodation in the human eye..... 151
Acute glaucoma induced by cocaine 377
Advancement, forms and indications of operation..... 347
Albuminuric retinitis, especially in pregnancy 284
Amblyopia due to excessive tea drinking..... 351
Amblyopia from Jamaica ginger..... 128
Angioma cavernosum of the orbit 186
Asthenopia, frequency of..... 352
Astigmatism, corneal; operative treatment 250

Bacteriology of conjunctival sac.....160 and 285
Blindness due to sphenoidal and ethmoidal disease..... 29

Cataract extraction in insane subject..... 61
Cataract from lightning stroke..... 223
Cataract, 500 operations..... 188
Color blindness, improved lantern for detection 350

PAGE.
Comparative value of enucleation and substitutes 54
Congenital corectopia 31
Conjunctivitis petrificans 30
Converging prisms, effect on our notions of size, etc 92
Copper sulphate, disadvantages 350
Cysticercus in the eye 95

Detachment of retina 187
Detachment of retina, symmetrical in both eyes 350
Development of asthenopia and errors of refraction 126
Diabetes mellitus, ocular manifestations 57
Diphtheria of the conjunctiva 187
Discission of soft cataract; new method 57

Embolism of the central artery of the retina 378
Enucleation, the value of 94
Eye affections in Bright's disease 29

Foreign bodies, removal from the eye 96

Glaucoma, treatment of the apparently unaffected eye 351
Glioma of retina, invasion of optic nerve 186

Hemianopsia, probably hysterical 184
Heterophoria, treatment 253
Homatropine as a cycloplegic 151
Hyperphoria, study of 115 cases 59

Immature cataract 27
Injury to the eye; estimation of earning capacity 62

Keratitis interstitialis, prevention 159
Keratitis, ribbon-shaped 188

Lacrymal disease and radical treatment 60
Lacrymal obstruction 95
Lashes in cataract operations 30
Lenses, bifocal, best area for short focus 351

Magnets, experiments 58
Metastatic choroiditis in grip pneumonia 349
Muscular insufficiency, examination 254
Muscular spasm without loss of vitreous 291
Myopia, amount corrected by removal of lens 124
Myxosarcoma of the optic nerve 189

Neuritis optica after atrophy; brain tumor 189
Nystagmus 158

Ocular headaches 28
Open treatment after operations 126
Ophthalmoscopic examination for kidney disease 319

Pilocarpine in internal inflammations of the eye 319
Protargal to prevent ophthalmia in the new born 378
Pterygia, pathology and treatment 123
Pterygium operations 223

PAGE.
Rheumatic diseases of the eye 126

Sarcoma, alveolar of choroid 125
Sarcoma of the orbit, perforation of skull 124
Sarcoma, pigmented of choroid 185
Sclerotomy with iridectomy 191
Scrofulosis and tuberculosis 127
Spectacles, use and abuse 151
Stoppage of the tear passage, operation 91
Suprarenal extract 189
Suprarenal extract, employment of by the oculist 377
Symblepharon operation 190
Sympathectomy in chronic glaucoma 91
Sympathetic, extirpation of superior ganglion in glaucoma 317
Sympathetic nervous system and amblyopia 190
Sympathetic ophthalmia in spite of enucleation 29
Sympathetic, removal of superior ganglion for glaucoma 122
Sympathetic, removal of upper cervical ganglion in glaucoma simplex 124

Tear-duct, treatment 286
Tobacco amblyopia 319
Trachoma, treatment of by expression 31
Tuberculosis of the choroid 320
Tuberculosis of the conjunctiva 377
Tuberculosis of the eye 62
Tuberculosis of the iris 288

Ulcus rodens corneæ 184

Validol in scotoma scintillans 317
Vision, economic value of 286
